Submission for: My Self

Name of other person, business or organisation:

Do you agree to your submission being published: Yes

Do you agree to your full name being published: Yes

Your submission:

We the people obey and respect the laws put in place to keep society in check and for the well being of the vast majority of Australians.

Why are the Bankers given such free reign, that they do not fear imprisonment and laugh off fines which are imposed upon them in the very limited times they are caught out.

If Ordinary Australians did what the Banks do they would be Jailed for Many years (Fractional lending and creating currency from thin air).

Why is this allowed.

Peter Lee. 02/10/2018
