I bring to your attention the fact that both the Democrats and the Republicans espoused the implementation of Glass-Steagall type legislation in their respective campaigns for the 2016 presidential election. The rest of the world is likewise aware of the urgent need for such an initiative. The practice of the banks' gambling with depositors' funds and taxpayers' money is beyond unacceptable and must cease forthwith. It is time to put an end to the lying, half-truths, stonewalling, filibuster, spin and obfuscation. I demand the immediate implementation of Glass-Steagall type legislation.
