Submission for: My Self

Name of other person, business or organisation:

Do you agree to your submission being published: Yes

Do you agree to your full name being published: Yes

Your submission:

Dear Commissioner Kenneth Hayne,

I would very much like you to consider:

[a] the Glass Steagall Act control system which I found so impressive after reading and hearing the Citizens Electoral Council information about it.

[b] my short piece on controlling credit money creation and money transfers by clicking Bank Rebirth in my website

protectorparty.com

I am enjoying your cut and thrust. Thank you.

Yours truly,  
John Casley.
