having been a primary producer-cattle and grain-it is essential that following the greed and wrongdoings exposed by the royal commission that all primary producers are protected by creating a new PRIMARY INDUSTRY BANK-WITH A CONSTANT REASONABLE INTEREST RATE-REASON BEING that we suffered under all banks with rates up to 22%-we survived,educated 3 boys ,ruined by the global crisis,but somehow we survived(started with the qland PI bank and if it had been continued primary industry would have survived much easier)

FINE ALL THE BANKS ET AL RESPONSIBLE FOR THEIR GREED BY LEGISLATING THAT THEY SURRENDER ALLLLL THEIR PRIMARY INDUSTRY A/CS ALONG WITH ENOUGH MONEY FROM THEIR ILL GOTTEN GAINS TO FORM AN INDEPENDENT PRIMARY INDUSTRY BANK

LET THE PUNISHMENT FIT THE CRIME!!!
