**Submission for:** Another Person

**Name of other person, business or organisation:** The people of Australia

**Do you agree to your submission being published:** Yes

**Do you agree to your full name being published:** Yes

**Your submission:**

In the interests of justice for the people of Australia and for the reputation of Australia it is essential that the banks (particularly the big four) are broken up and vertical integration be outlawed. See the benefits to the U.S. by the Glass Steagall Act and the calamity that ensued when this Act was repealed. It would be worthwhile looking at the banking evidence tendered to the Judicial Commission of the International Tribunal for Natural Justice at Westminster in April of this year.
