To The Commissioner Mr Kenneth Hayne,

The findings of your inquiry so far lends me to think and believe that what the CECouncil has been proposing for an introduction of the Glass -Stegal Act is very necessary for the ongoing protections of people, which your inquiry is doing a very good job of highlighting these banking issues.

The Senator Mr Bob Katter on the Q+A program suggested that assets of 200 million were reduced to 2 million by a liquidator , I agree with him that the inquiry be widened to include looking at the liquidators and their perks.

Thankyou [REDACTED]
