To Commissioner Hayne.

I would like to urge Commissioner Hayne to take advantage of the fact that the banks have been exposed as greedy people who have exploiting us and the public for years.

The banks need to be punished, and Commissioner Hayne can fine them & tell them to not do it again, but the only way to make certain is to implement Glass-Steagall separation of the banks.

It is the only way that everyone's money & deposits will be protected, otherwise the banks can make our hard earned money disappear into thin air by the stroke of a pen.

If we have another global crash before Glass-Steagall is implemented, and the banks enact their "Bail-In" legislation, and confiscate everyones money, well, who knows what hordes of angry people will do. I don't think it will be pretty.

I urge Commissioner Hayne to allow Glass-Steagall to be implemented.

Yours sincerely,

Eric Murray
