Your submission:

In light of the misconduct that has come to light from the hearings so far, I submit that the following should be also be considered for investigation.

Bob Katter's tabling of the banking System Reform act(separation) Act 2018 for its merit for resolving the crisis.

The Banking Crisis resolution act 2018. For the unconscionable way in which the act was passed and its long term effect on the stability of the Australian population.

Call Dr Wilson Sy to testify due to his in depth knowledge of both of the above points.

As an average hard working Australian and father, I am deeply concerned about the issues raised and the state of our political leadership that has allowed such misconduct to thrive.
