Submission for: My Self

Name of other person, business or organisation:

Do you agree to your submission being published: Yes

Do you agree to your full name being published: No

Your submission:

I believe that in order to have a clear and fair banking service for people of this country there needs to be a clear separation like the glass steagle legislation being put forward. There has been too much greed and too much trust lost in the ability of people to govern themselves in an ethical manner. We do not want to be doing this process in another 10 years and lamenting this lost opportunity and a total collapse of trust not only in banks but in the government.
