Dear Commissioner Hayne,

Please help to improve our country and try help it avoid a crisis. Please recommend that you recommend the separation of our banks into commercial and investment banking similar to Glass-Stiegel. The banks of course will try to convince you not to do this for their own interests, but it is clear to me, that this is not in the interests of our country.

Please recommend the passing and implementation of the Banking System Reform (Separation of Banks) Bill 2018.

Many thanks,

Mark McDonald
