Structural change in the Banking industry is a must, the only way to stop their immoral business practices.

Banks can't be trusted everyone knows it. There is a bill before Parliament the Banking System Reform Separation of Banks Bill 2018 like the 1933 U.S Glass-Steagall Act its simple in 18 pages. This Act leaves no room for the Banks to get between the wallpaper and the wall and it protects the customers of the banks.

This bill answers all the questions of commissioner Hayne.
