Dear Sir,

This submission is in reference to the interim report produced by the Royal Commission during its investigation into banking miss-conduct within the financial sector.

I would like to see the **Glass-Steagall Act** introduced to enforce the separation of commercial banking from investment banking.

I sympathise with people who have been affected by the irresponsible lending that has occurred during the last few years and I feel that the introduction of the Glass-Steagall Act along with other regulatory enforcement will be a positive move for the Australian people.

Thank you,
