Your submission:

Dear Commissioner Hayne,

I am a member of the Citizens Electoral Council of Australia. However it is by my own choosing and concern for the lack of integrity and honesty of our financial institutions - as highlighted during the Financial Services Royal Commission hearings. I submit this simple response to the questions you have posed in the executive summary of your interim report:

I believe, the Banking System Reform (Separation of Banks) Bill 2018, recently read into the Lower House of Parliament. May provide detailed answers to the questions posed in your summary. This Legislation is for Glass-Steagall separation of commercial banks from all other financial activities

Yours sincerely

Graham Rodwell
