Please use this once in a lifetime opportunity to pass our Australian version of Glass Steagall.

I see this as the only way that 'we the people' can regain ownership of our money.

Our monetary system has too much exposure to the speculative & unethical behaviors of our bankers, & I believe that directly is effecting the very thing we use to value our time & productivity. Our money.

Please, for the sake of every Australian, from the richest to our most destitute, implement Glass Steagall to protect our economy & money from the gambling addicts in our banking system.

I have faith our collective parliament.
