Your submission:

Break up the big 4 banks, the banks said to be 'to big to fail' and institute Glass-Steagall for protection of peoples deposits from being 'bailed in' by the banks when the next financial collapse occurs as did happened in 2008. The banking fraternity and politicians have not heeded any warnings in the last 10 years to change the structure of the banks and stop risky business dealings and fraud. It's time to change.
