I have ultimately come to the conclusion that the banks are run by an international criminal cabal, that has come about by, gutless, cowardly politicians that have sold not only their soul but the nations innocent people as well, NO sovereign country borrows money from International Jew Banksters, if they do they cannot be SOVEREIGN, I say not "ONLY" to Install glass steagle, to sepperate banks, but banks "MUST" not & "NEVER EVER be privatised, and must return to national standards owned by the people !

Until this happens this world & everything is going to hell !
