The interim report on insurance does not seem to cover the concerns I raised about [REDACTED] in my submission on January 28. As I have said this was an issue that concerned about I believe 10000 investors.

1.

I add the following. An email from the [REDACTED] leader on 23rd February.

This was an issue which involved banks, the trustee of the managed investment, the registered entity, the members of the Compliance Committee of the managed investment, the auditor of the managed investment, and in the case of [REDACTED] insurers operating through [REDACTED]

2. I include again a little bit of my exchange with the [REDACTED] insurer and with [REDACTED] in Sydney, provided in January, asking for information on how much insurance on the insured mortgages was paid to the registered entity:

[REDACTED]
