1/ I note that [REDACTED] is doing a submission to the Royal Commission and since I know that the [REDACTED] holds him in high regard I would ask that the Commissioner Mr Ken Hayne read [REDACTED]'s submission.

2/ I suggest that an act such as Glass Steagall should be implemented because it will solve a lot of problems with our present banking system.

3/ I'm not happy with the economy since before the last financial crisis in 2008. Things have not improved, in fact they have become worse with the looming threat of financial collapse. For this reason we need to renationalize the banks.
