Please break up the banks to reduce risk and please take steps so that being a honest hard working and tax paying Australian my hard earned savings and savings for retirement just vanishes in thin air. Please help us keep our faith in the Australian dollar, finance sector and the government. Once that faith is gone it will be difficult for us to reestablish it back for a long long time. And above all please save the country from an unprecedented economic collapse caused by the irresponsible and greedy people.

Thank you very much.

A proud Citizen.
