Email: [REDACTED]

Phone Number: [REDACTED]

Submission for: My Self

Name of other person, business or organisation:

Do you agree to your submission being published: Yes

Do you agree to your full name being published: Yes

Your submission:

I do not trust the banks nor the government who didn't want your inquiry into banks. Ruthless banks are currently able to steal my deposits to cover their speculation in derivatives when they get into trouble. I want you to strongly recommend that the banks' commercial banking be separated from their investment (gambling) business. Bring back Glass Steagall to protect us all.

Thankyou

Louise
