Mr Haines we need to do everything in our power to stop the banks from taking all our hard earned money whether it is our super or savings etc. Tell me what right the banks have in doing this? The bail in law never received any media attention. Again another sneaky tactic by politicians to fleece the Australian public. If people knew about this law do you honestly think they would have agreed? We are being blind sighted. Its absolutely shocking. Do the right thing and break up the banks and free us from their dirty tricks.
