GLASS STEAGALL MUST BE INTRODUCED

With the discovery of rife gross misconduct and undoubtedly illegal conduct by the banks. Which appear to have been over looked or ignored by APRA and or ASIC, surely there can only be one recommendation made. In the best interest of the Australian people rather than allowing the continued outright theft from their customers by the banks.

Please you must support the [Banking System Reform \(Separation of Banks\) Bill 2018](#) that Bob Katter introduced into Parliament on 25 June, so that Australia can have a Glass-Steagall banking separation which protects deposits and makes banking normal again.
