Do you agree to your submission being published: Yes

Do you agree to your full name being published: No

Your submission:

I insist on telling the Commissioner that the banks should not own super, or any other financial business. Superannuation is just one of the reasons Australia needs a Glass-Steagall structural separation of the banking system now. Glass-Steagall structural separation of banks would stop banks from owning, and therefore accessing my and my children's super funds.
