Submission for: My Self

Name of other person, business or organisation:

Do you agree to your submission being published: Yes

Do you agree to your full name being published: No

Your submission:

Australia needs a Glass-Steagall style structural separation of the banking system. The banks shouldn't own super, or any other financial business. A Glass-Steagall structural separation of banks would stop banks from owning, and therefore looting, super funds, and the Banking System Reform (Separation of Banks) Bill 2018 has already been tabled in Parliament to make this happen.
