I haven't worked for 12 years yet [REDACTED] after rolling it over and [REDACTED] automatically took out insurance for Death and total and permanent disability \$918.22 as at 1st 2017 they have been deducting \$4.16 Administration fee each month plus \$8.18 Insurance fee each month and \$19.80 insurance fee each month. I am not working and haven't been contributing and my superannuation fund is gradually being dwindled away to nothing but [REDACTED] making profit and providing no benefits whatsoever. I was never advised if I wanted this and I was automatically "opted in" I rang them and spoke to [REDACTED] who said there is nothing they can do [REDACTED] are just taking my money and whittling it away. I never agreed to have all this insurance included they put this in without my consent as I never had this originally with [REDACTED]
