As a [REDACTED] victim of false loan application details Involving fake properties, false income, of over \$154,000 p.a. when unemployed, retired at 69 years on Age Pension and other false information my wife and I are qualified to comment. We lost our home and 2 properties and our fight enters its 10th Year. to gain Justice and Compensation, but we will never replace what we had. The system of Regulators failed us. [REDACTED] completely ignored our Tax Returns as evidence of NIL INCOME and found [REDACTED] "ACTED RESPONSIBLY" LENDING A 69 year OLD RETIREE WITH NO SUPER, ON Age Pension \$1.06m . We had lots of EQUITY BUT NO INCOME. [REDACTED] have sided with Banks for years and NOT ONE CEO OR BOARD MEMBER HAS BEEN PROSECUTED. The systemic fraud and profit at all costs must stop. A Glass-STEAL System must be law and implementation NOW before thousands more fall victims to unconscionable conduct ,Predatory lending. Fraud and more.
