Attn members of the Royal Commission, I support support the Banking System Reform (Separation of Banks) Bill 2018. There should be a legislated structural change to fix superannuation problems, banks shouldn't own super, or any other financial business, and that super is just one of the reasons Australia needs a Glass-Steagall structural separation of the banking system. We need Glass-Steagall structural separation NOW! Stop the banks from looting my super!! Kind regards
