Adrian & Wendy,

Hope all is well in the land of the free.

Have just heard that "Jamberoo" is on the market. This is Tom Campbell's property on the Southern boundary of Paul & Marina's property "Nankeen" so not that far from "Kia-Ora".

7,049ha all up consisting of 5,515 f/h and 1,534 forestry lease.

Not sure of a price at this stage but would imagine around the \$4m mark, possibly less. Should run about 1,000 breeders.

Can obtain a little more detail if you think you might be interested.

Regards
