Hi Wendy,
Bob unfortunately is unable to amend his itinerary next week. The meeting should not take more than two hours and with the MLA event not commencing until around midday I would be hopeful we can retain the original time/date. If you could confirm if this is acceptable.
Regards,
Greg

Greg,

It has come to my attention that an industry forum, Beef Up, is in Theodore on the day that you have requested. We have been unable to attend in the past. We would like to take advantage of the close forum.

Could we please move the meeting back to the Tuesday or forward to Thursday? I'm sorry for the inconvenience.

Thank you.
Wendy
