Hi Adrian & Wendy,

As discussed earlier today, I am forwarding a list of financial information that will be required to support your proposed strategy towards the \$3.0Mln Principal Repayment that is due by 30 June this year. It would be appreciated if you could prepare your alternative strategy for the Banks consideration at the earliest opportunity. If you or your financial advisors require any further clarification etc from the Bank, don't hesitate to contact me.

Financial Information required from The Tim Shay Grazing Trust and AA & WJ Brauer (please include related entities if applicable):

Finalised Financial Statements for year ending 30 June 2012 (currently have Draft Statements)

Finalised or Draft Financial Statements for year ending 30 June 2013

Year to Date Profit & Loss Statement with Cashflow projection to 30 June 2014

Cashflow Projections for 2015 and beyond if required.

As discussed, the projected cashflow information will be considered in-conjunction with your proposed strategy towards the \$3.0Mln Principal Repayment due in June this year.
