Hi Adrian & Wendy,
Just following up on my earlier email. If you could confirm the additional information relating to the marketing of Jamberoo. I am unable to amend the current Interest Rate applied to the excess amount until the additional information is provided.
Regards,
Greg

Hi Adrian & Wendy,
I will require a bit information around the Marketing Agreement. If you could confirm the asking price that has been confirmed with Topex and seek confirmation from Topex, in a written form, of their opinion of the asking price/current property market. Also, if you could advise of the reference number for the Topex (internet listing) once this has been uploaded. Don't hesitate to contact me if you have any queries.
Regards,
Greg
