Dear Greg,

**RE: Sale of 'Jamberoo', Taroom**

We have been formally approached and appointed by the Brauer family to exclusively market and promote their property, 'Jamberoo', near Taroom in Central Queensland for sale. National Land Lease (NLL) is well aware of the current situation and we are confident that NLL can achieve a result that will be acceptable for the Brauer family long term.

NLL has developed a marketing program in line with the family's budget and wishes promoting their property through several electronic advertising mediums.

NLL is happy to work close with yourself and the Brauer family to achieve a result that will see them maintain a solid existence in the industry.

Please find attached a copy of the marketing submission and budget.

We look forward to a great outcome as we move through this process.

Best Regards,

Stuart Hill  
National Land Lease
