Greg,

Adrian and I have discussed, cussed and not slept.

We are confident in our ability, not so much the market. Having said that, we are willing to proceed with the action that you have put forth and sign a document stating that we will consent to an asset sale to meet our repayments if it will be necessary to trade beyond 2013.

Please get the ball rolling as quickly as we can. It bothers both of us very much not to be paying our bills. It seems wrong not to pay, they are the vendors that have given us the opportunity to continue on and make money.
