Good Afternoon Wendy,

As discussed, I am currently completing a review of your loan facility and would appreciate if you could provide an update on the current leasing arrangements and stock/crop/hay production.

- Accountant prepared financials for 2011 (finalised) and 2012 (Draft will suffice at this stage) with current year to date figures.
- Lease agreement details for Kia-Ora, post June 2013 i.e. Term and Payments.
- Details of production/agistment income from Jamberoo post June 2013.
- Current stock numbers with expected sale numbers for the next six months.
- Projected grain and hay crop income for the next six months.

I would appreciate this information as soon as possible, if you have any questions don't hesitate to contact me.

Regards,  
 Greg

Good Morning Adrian & Wendy,

Hope you enjoyed some time off over the Christmas/New year period. I would like to catch up with you both at some point over the next two weeks to discuss the outlook for your business over the next six months and any strategy you may have in place or proposed with regards to the principal repayment due in June this year. If you could consider what day may suit and we can arrange a meeting for that time.

If your Accountant has completed the 2011 and 2012 statements, either draft or finalised, I would appreciate a copy when we next meet.

Regards,  
 Greg

Hi Wendy,

If the Accountant could forward through the Draft financials for 2012, as these should also contain the 2011 financials, and the finalised 2012 financials can be presented when completed. I haven't seen the updated Assets & Liabilities come through as yet, was this via email or post?

Regards,  
 Greg

Greg,

*I understand that the financials from the accountant should be ready in a few days. We will have an appointment with them within the next fortnight as well. I am working on it. I'm sorry that it is taking so long.*

*Have you received the updated form from me.*

Hi Wendy,  
 I have received a copy of the insurance from WFI however don't appear to have received any financials from your accountant. As the financial information is required to complete our current review it would be most appreciated if this could be provided at the earliest opportunity.  
 Regards,  
 Greg

Hi Wendy,  
 As discussed, please find attached Assets & Liabilities statement for you to amend, as appropriate, and sign/date for return to me. If you could confirm when your accountant will have the 30 June 2011 financials to us and provide some indication when the 30 June 2012 Draft financials will be ready. If you could attach the most recent insurance policy with the reply email it would be most appreciated.  
 Regards,  
 Greg
